

# Oregon Chautauqua Program

## Oregon Stories: Reflections on the Sesquicentennial

Date: Thursday, May 21 6:30 pm

Location: **Media Center—Library**

**Toledo High School**

1800 NE Sturdevant Road, Toledo

**William Robbins**, retired Emeritus Distinguished Professor of History of the University of Oregon, will examine the historical events, circumstances, and personalities that have shaped Oregon history for the last century and a half and more. The presentation will approach Oregon's history with a healthy dose of skepticism about the claims of its boosters. It will examine and question conventional notions of "discovery", "exploration", and "progress".

**Free admission**
